

Meet the LTBS Team

Rev. Timothy Nelson, Treasurer

Timothy Nelson, the treasurer of our international radio ministry, Let the Bible Speak, is currently the minister of Ballymagerney Free Presbyterian Church, County Armagh, Northern Ireland. Reared in the Irish Presbyterian Church, he was converted to Christ at a gospel mission in 1976. Three years later he became a communicant member of Lurgan Free Presbyterian Church. He entered Queen's University, Belfast, in 1980, and it was during his university studies that he felt the Lord's call to the Christian ministry. The Lord spoke to him through 2 Timothy 4 and Jeremiah 1 to assure him that He had indeed called him to be a preacher of the everlasting gospel.

Mr. Nelson completed his university course in 1983 and a few months later entered the Theological Hall of the Free Presbyterian Church, completing his course there in 1987. Between 1985 and 1988 he had opportunity to serve as a student minister in Kesh, County Fermanagh.

He received a call to the pastorate of the Rasharkin church, where he was ordained in 1988. There he had a fruitful ministry of twelve years before accepting the call to Ballymagerney, where he was installed in August 2000.

Borneo Listener

The following letter, received recently from a listener in Borneo, emphasizes the vast outreach of Let the Bible Speak.

“Greetings,

“I’m one of your listeners on the island of Borneo. I have been listening to your programme for a while now but have not taken the initiative to write to you. I really enjoy the teachings hosted by Leslie Curran (I hope I got the name spelt correctly).

“My intention for writing is for the reading materials which is often mentioned in the programmes. Yes, I am a ‘born again’ Christian almost 4 years ago, so are the rest of the family members. I look forward to receiving the requested items if it is still available.

“Thank you. May the grace of our Lord Jesus Christ be with you all.

“P.S. I listen to you on High Adventure Radio Network, broadcasting from Koror, Palau.”

Caribbean Listener Commends Magazine

A lady who listens over Harbour Light of the Windwards in Grenada to the *Let the Bible Speak* programme from our Greenville church

writes to thank us for our web site and magazine.

“Dear Friends in Jesus Christ:

“Thank you for your entire web site and links. . . . May I offer a word of feedback on the *LTBS Quarterly*. Holder of a master's degree in journalism myself, I was nevertheless unprepared for the content, beauty and professional quality of this Christian publication. Kudos for that: only the best will do for the Lord! The reverse-against-dark background sermons by Drs.

Mark Allison and Alan Cairns, though attractive, have a tendency to detract a bit from the reading. . . . Perhaps 'distract' is the more apt word. Reading was not particularly uncomfortable: studying was. And both articles are definitely worthy of serious study. My continued interest and prayers remain with you."

Magazine Costs

We have received a number of questions again about our policy of making this magazine available without charge, as the Lord enables us. Some people have asked if they may make donations to defray the expenses. Others have asked if the Canadian and American churches listed as supporters underwrite the entire cost of production and printing.

Let us start with this latter question. No, the churches listed on page 24 do not underwrite our entire costs, but they have been kind enough to include this project in their church's missionary budget. Their

help is vital, but there is still a lot of room for other churches to join them in supporting the magazine. As to individual support, we want all who desire to have the magazine to receive it without any cover charge. However, we are happy to receive any and all contributions to Let the Bible Speak, and we trust that reading our magazine will stimulate the prayerful and financial support of many readers for the vital work of our radio ministry.

These Fifty Years

In March, the Free Presbyterian Church will celebrate half a century of witness for Christ. To mark the occasion, Let the Bible Speak is producing a special video documentary, "These Fifty Years." We intend to launch the video with three special showings in March:

A special CD-ROM of the Reformation services in Faith Free Presbyterian Church, Greenville, South Carolina, is available. It features Dr. Edward Panosian's first-person presentations of some of the leading reformers, including Luther, Tyndale, Knox, and Latimer, as well as other major characters such as John Bunyan.

It also has Dr. Carl Abrams' lecture on the life of Jonathan Edwards and Dr. Mark Sidwell's treatment of the subject of the development of modern apostasy from Reformation truth.

Finally, the CD carries two messages by Dr. Alan Cairns on the rediscovery of the apostolic doctrines of scripture and justification.
